Board Calls Up More Men, Youths

Fire Department Speedily Gains Control Of Fire Menacing Block

Grease Ignites In Range At Theatre Restaurant

When flames from a gas cooking range got out of control, early Sunday morning, at Theatre Grill, 6233 Mission street, the restaurant and surrounding buildings were seriously menaced, but the Daly City Fire department was on the scene five minutes after the call was received and had the fire out in one hour.

The fire assertedly started when grease near the range was ignited and spread along the cooking section at the front of the building. The fire spread to the north wall of the building, a nearby closet, and a stairway leading to the second floor. Tenants were aroused from sleep by the noise and commotion.

An alarm turned in by Daly City Police was answered by Companies 1, 2 and 4 of the fire department. Fire Chief A. P. Chesney arrived on the scene a few minutes later and directed work of firemen. As the fire spread, it became necessary for firemen to chop into walls and part of the ceiling. Flames got between the interior plaster and outer walls, entering the chimney flue.

"It was a tough fire to handle," said Chief Chesney. "We found that out when we had to open up the walls and ceiling."

Four streams from a 600 gallon pumper truck were played on the flames in the interior of the building, and salvage covers were laid by firemen.

Louis D'Elia, 6229 Mission street, who owns the restaurant building, was highly pleased with the efficiency of the Daly City Fire department in bringing the blaze under speedy control. A letter from D'Elia to the Daly City Record follows: "Dear sirs, In behalf of my family and tenants I wish to express my sincere appreciation and gratitude to the Daly City Fire department for their marvelous work in saving my property, Sunday morning.

"A fire started in the grill in the Theatre Grill restaurant around 1:30 a. m. Within a few minutes three engines answered the call and after an hour of action the fire was extinguished. Thanks again to the fire department for their grand work and efficiency." Signed, Mr. Louis D'Elia.

KILLED IN ACTION

Report that Russell Mundy, Radioman First Class in the Navy, was killed in action during the Solomons battle was received here, Thursday, when a telegram from the Navy department in Washington reached his mother, Mrs. Bertha Mundy, 360 San Diego avenue.

Mundy had served in the Navy for eleven years, having seen all action in the war in the Pacific. Besides his mother, he is survived by his wife and two children, and two brothers. One brother, Rod, is in the Army, while the other, Charles, is on construction duty for the Navy in Alaska.

The seaman's wife and family reside in San Francisco. His parents have been residents of Daly City for the past fifteen years. Before enlisting in the Navy, Mundy was employed by the Market Street railway. He also worked for Southern Pacific railway. His father, Oscar Mundy, passed away here a year ago.

Ninety-Two Will Take Physical Exam

Ninety-two men from Daly City Draft Board No. 103 reported to San Francisco induction headquarters, today, for physical examinations and induction into the army. This is the local board's first draft contingent of the new year.

The selectees are being examined by army doctors, and those passing the physical will report to Monterey for duty. Representing Daly City in the large contingent are 35 young men from this community. The board took eight from the Colma area.

Last minute instructions for today's induction procedure was given them at a meeting, held Tuesday night by Dr. J. C. McGovern, chairman, in the city hall.

Daly City selectees are as follows: Neal Moorehouse, 172 Flour-

FAHEY

Move Justice Court To No. 3 Wellington

Judge John J. Fahey jr., newly elected justice of peace for the first township, San Mateo county, began his term of office, Monday, as local offices of the justice court were moved to a new address.

Headquarters of the justice court were moved from 4 Wellington avenue across the street to 3 Wellington avenue, law office of Judge Fahey. The former justice office will continue to be occupied by Attorney Wade H. Clay, outgoing justice of the peace.

Miss Lorraine Lavagnino, employed for the past seven months as deputy clerk of the justice court, will continue her duties in the new office.

Commission Juanita Young Third Officer

A member of the Women's Army Auxiliary Corps from Daly City has been commissioned Third Officer at the First WAAC Training Center, at Fort Des Moines, Iowa.

She is Miss Juanita O. Young, 63 Cavour street, former physical education instructor at Jefferson Union high school.

Third Officer is the WAAC equivalent of second lieutenant. Officer candidates are selected from auxiliaries of the corps who have demonstrated qualities of leadership, competence and devotion to duty.

The intensive eight-week officer candidate course includes instruction in leadership, defense against

Defense Council To Plan New Tests

Plans for another air raid drill for local civilian defense volunteers will be heard at the meeting of the Daly City Civilian Defense Council, tonight at 8 p. m., at the city hall.

Preparatory to another demonstration before the OCD inspection team, air raid drills will be planned from incidents submitted by Daly City members. The drills will involve all sections of the city, and all active volunteers will be placed in service. Following local drills the OCD officials will be called to Daly City to test volunteers with incidents of their planning. Arthur J. Bodien, local director said, yesterday.

Air raid wardens, headed by Harry Melicker, chief air raid warden, are on dimout patrol nightly to see that all residence lighting is shaded to comply with orders of the Western Defense Command. Auxiliary police officers are patrolling on traffic dimout. Weekly lectures on traffic control are part of the auxiliary police training.

A two hour gas defense course for Daly City auxiliary firemen was recently conducted by R. L. Crane jr. Twenty-four civilian defense firemen completed the training, which included the use of the gas mask and protection against war gases.

New Contingent Of 89 To Follow Closely On Heels Of Group Reporting Today

LADIES NIGHT

Preparations for Ladies Night, to be held, Saturday evening, January 23, at Colma Italian cafe, are now under way in the Daly City-Colma Lions club. A committee has been chosen to make arrangements for the affair, one which is held many times throughout the year as a special treat for Lions' wives and girl friends.

Dancing will be enjoyed at the cafe, following dinner. Committee for Ladies Night is Dr. William Lantheaume, Al Pulley, and William Sweeney.

Navy's Casualty List Includes Two Local Men

Included in a casualty list released, last week, by the Navy were the names of two Daly City men who were reported dead. They were Ernest August Bueren, 3304 San Jose avenue, and Harvey Lee Kuhn, 170 Woodrow street. Bueren's death has been reported previously in the Record.

The casualty list, including 393 dead, 628 wounded and 565 missing, contained the names of those reported as casualties to next of kin from December 1 to December 15 inclusive.

Bueren was reported killed in action, last September, during the Allied offensive in the Solomons. A seaman, first class, Bueren served a year in the Navy. His parents are Mr. and Mrs. Otto Bueren, 3304 San Jose avenue. Bueren attended local schools.

Harvey Lee Kuhn, Navy storekeeper first class, enlisted in the Navy in February, 1940. He was born in Wheaton, Kansas, and is survived by his wife, Mrs. Ailene Bell Kuhn, 170 Woodrow street. They were married in December, 1941.

Issue New Warning To Draft Registrants

On the heels of today's call for 92 selectees from Daly City Draft Board No. 103, was the announcement that a contingent of 89 more will report for induction, Tuesday, in the rapid-fire succession of draft calls slated for the local board during the new year. Dr. J. C. McGovern, Daly City chairman, announced, yesterday, that 123 from the local board will enter the armed forces in February.

Following final physical examinations last week, 35 selectee-soldiers entrained for the Monterey Presidio, yesterday, for duty in the army. The local board worked until nearly 1 a. m., yesterday morning, passing on selectees for January quotas which included several 18 year olds and married men without children. A group of 98 boys who have just become 18 years old since July, 1942, will probably be inducted soon, according to Dr. McGovern.

"As soon as these registrants have time to receive their questionnaires, return them, and be classified, they will be ready for induction," he said. "We will need plenty of registrants to fill quotas from the looks of the number of them."

An important warning was given to all registrants between the ages of 18 and 45. After February 1, men between the ages of 18 and 45 must carry with them, at all times, their registration certificate (D. S. S. Form 2) and their classification certificate (D. S. S. Form 57).

The registration card is the one which the registrant received when he signed up. The classifi-

"Quietest" New Year's Within Memory

Daly City ushered in 1943 by spending one of the quietest new year's eves on police record, Thursday night. Merrymaking hit a new low with restrictions on taverns for the duration, and the community was even without a traffic accident.

A fist fight on Mission street, a New Year's party that became a little noisy, and a garage break-in summoned Daly City police during the evening. Officers Henry Sundermann jr., Walter Davis, and Roiand Petrocchi stopped the fight about 1 a. m., and a sailor was jailed for disturbing the peace as a result. He was released the following morning to return to his ship.

One hour later, police were again called out to quiet down a party that became noisy. Complaints were phoned in to the police department.

Ernest Martini, proprietor of the Venezia garage, 7232 Mission street, reported at 4:30 a. m. that his garage had been entered by breaking the bottom panel of the garage door. Officers searched the building but found nothing missing.

Daly City Gets Set For Nationwide Point Rationing Of Hundreds Of Foods

Nationwide point rationing of over two hundred kinds of foods, scheduled to begin sometime in February, came a step closer to Daly City, this week, with the arrival of 129,000 new ration books in San Mateo county and a regional OPA meeting, tonight, in San Francisco.

Mrs. C. F. Day, secretary of the War Price and Rationing Board No. 31-3 (formerly known as 31-4), the local board which has jurisdiction over Daly City, indicated that further instructions on point rationing will probably be announced after this regional meeting. So far, no dates for either point rationing to begin nor issuance of ration book two have been announced.

Although there was no official announcement that schools would again handle the distribution of ration books, the new ones arrived at the office of Miss Pansy Jewett Abbott, county superintendent of schools.

R. L. Crane jr., superintendent of the Jefferson district grammar schools, said, Monday, that the San Francisco OPA office had informed schools that a two week period would be required to give out ration book two, instead of the three day period used, last May, when the first books were distributed. Like the county head of schools, Crane agreed that the schools were the logical place to handle the huge job of reaching every civilian in the nation.

"However, it would be far simpler for the schools if they were given out during a three day period," Crane continued.

"To stretch it over a two week period means that we would have to distribute ration books during school hours, since we certainly couldn't close for that long a time. We have already lost six days of school because of rationing, and it means that this work must be made up."

Daly City Theatre Now Showing Gay Musical, "Iceland"

One of 20th Century-Fox's merriest musical, "Iceland," is currently playing at the Daly City theatre. Just as in "Sun Valley Serenade," the picture is not only an entertainment gem in its own right, but adds more laurels to those already amassed by scintillating Sonja Henie, who just seems to skate with even more enchanting grace than she has in her previous films.

The film is highlighted with romance and comedy. Sonja Henie turns in an excellent performance with John Payne, her handsome co-star, who looks even more romantic in his uniform as corporal in the U. S. Marines. Jack Oakie, that hilarious zany as usual adds the belly-laughs that climax the combined efforts of a virtual monopoly of Hollywood comedy talent —Oakie, Sterling Holloway, Felix Bressart and Fritz Feld.

Miss Henie and Payne receive other excellent support, particularly from Osa Massen, the pretty Danish screen star, and Joan Merrill, the singing delight who has proved a surprisingly good actress. Finally, but certainly not the least important, an integral part of "Iceland's" success is due to the music of Sammy Kaye and his Orchestra.

The setting for "Iceland", as the name implies, is America's newest outpost; and the thrilling opening shows the arrival of our fighting Marines to take over. An averted auto collision introduces Icelandic native Sonja to dashing corporal of Marines Payne, and his sidekick, Private Oakie. It's romance at first sight between Sonja and John Payne, except that Payne's "line" has drawn girls to the church (where they waited indefinitely) and this time he's stuck on an island! In order to avert marriage with local talent (Sterling Holloway) Sonja ultimately fakes her "marriage" to John hoping he'll make it good by actually marrying her. He does, of course, but before that happens there are arguments, doublecrosses, outbreaks close to war, and enough hilarious action and variance to satisfy the most demanding moviegoer.

OBITUARIES

Charles Sheridan

Charles Sheridan, 26, died Saturday, December 26, in Albuquerque, New Mexico. He lived at 54 Woodrow street, before taking up residence in Albuquerque for his health.

Surviving him are his mother, Mrs. Jennie Sheridan, four brothers and sisters, Jack, Stanley, Marian and Betty Sheridan, all of Daly City.

Funeral services were held Thursday, December 31, from the W. C. Lasswell company chapel. Mass was celebrated for the repose of his soul, at 9:30 a. m., at Our Lady of Perpetual Help church. Interment followed at Holy Cross cemetery, Colma.

Mrs. Mae McKenzie

Funeral services were held for Mrs. Mae McKenzie, 45, 522 San Diego avenue, Monday morning at 10 a. m. from the W. C. Lasswell company chapel.

The services were followed with inurnment at Cypress Lawn cemetery, Colma.

Mrs. McKenzie succumbed to a short illness at Community hospital, Friday. She is survived by her husband, who is also a patient at the same hospital, and by her mother, Mrs. Rose Baker, Daly City.

Gustaf Carlson

A short illness claimed the life of Gustaf Carlson, 75, at St. Francis hospital, Monday, December 28. He resided at 315 Peoria street.

Surviving him are his two daughters, Mrs. Florence Thorsen and Mrs. Agnes Prescott, Daly City; a son, George E. Carlson, and five grandchildren.

Funeral services were conducted at 2 p. m. Thursday, from W. C. Lasswell company chapel. Interment followed at Cypress Lawn cemetery, Colma.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

NOW AT DALY CITY THEATRE

U. S. Marines John Payne and Jack Oakie go "all out" for our Government's policy of Good Neighbors when they land in Iceland. But this doesn't prevent Corporal Payne and Private Oakie from having a few private arguments concerning Iceland's loveliest lass, charming Sonja Henie, in 20th Century-Fox's brilliant new musical, "Iceland," now at the Daly City Theatre. The picture also features Sammy Kaye and his orchestra, and introduces a full share of brand new song hits.

Every Homemaker Can Help Make Ammunition

Many women have other important war jobs that keep them from manufacturing ammunition, but every homemaker can make a real contribution by saving waste fats to make bombs and shells.

Glycerine is needed for the manufacture of explosives and can be produced from fats. One pound of waste cooking fats will produce enough glycerine to manufacture 1 1-3 pounds of gunpowder, ½ pound dynamite or enough to fire four 37 millimeter anti-aircraft shells. Waste fat is needed also for gas mask bags and for making paint to coat tanks.

As a protection for our fighting front, every homemaker in Daly City is urged to save every drop of waste fat. Here are a few suggestions offered by the local salvage committee, headed by R. L. Crane jr.:

1. Do not let the fat become rancid because less glycerine can be obtained from rancid fat.
2. Strain into a clean wide-mouthed can.
3. Store in a cool, dry place until a pound or more is saved; then sell it to your meat dealer.

AUXILIARY POLICE

Schooling of Daly City's auxiliary police officers for civilian defense continued this week at Jefferson Union high school, with lecture classes by Inspector Myron Hook of the San Francisco Police department.

Classes are held every Tuesday night in the high school auditorium as part of a sixteen unit lecture course on traffic control and other police duties that confront the auxiliary volunteer officer. The courses are illustrated occasionally with sound films.

Mothers Club Holds Christmas Meeting

The Mothers Club of Bethel 26, Job's Daughters, held their Christmas meeting at the Ladies Home club in Colma. Election of officers was followed by a turkey dinner cooked by Mrs. E. Mooney and committee. An exchange of Christmas gifts was made. Mrs. Blanche Rowlands, president, presided. The following members and guests attended: Mrs. Catherine Niederhaus, Mrs. Tessie McGillicuddy, Mrs. Mollie Barnes, Mrs. Emilie Twesten, Mrs. Selma Smith, Mrs. Edith Sauer, Mrs. Ethel Hansen, Mrs. Minnie Barner, Mrs. Anna Zulk, Mrs. Myrtle Allen, Mrs. Tina Hollingsworth, Mrs. Blanche Layne, Mrs. Ruth Morris, Mrs. Lulu Koons, Mrs. Elsie Junge, Mrs. Lydia Thickpenny, Mrs. Ethel Hartley, Mrs. Charlotte Tickler, Mrs. Edna Stafford, Mrs. Florence Mooney, Mrs. Ann Volkman, Mrs. Clare Powell, Mrs. Blanche Rowlands, Mrs. Irene Holbrook, Mrs. Hilda Jespersen.

District Auxiliary Will Meet Tonight

Mrs. Eugene Signarowitz, president, urges all officers, chairmen, and delegates from each unit in this area to attend the next regular meeting of Twenty-sixth district, American Legion auxiliary, tomorrow evening, January 8.

She explained that the session will be an especially important one. It will be held at Belmont Legion hall, Belmont, at 8:30 p. m.

[illegible]

Mem[illegible] High Sch[illegible] meet this afternoon at 1:30 p. m. in the school cafeteria for their first board meeting of the year.

All members are urged to attend, and friends are cordially invited to be present at 2 p. m. when a public whist will be held.

Mrs. Catherine Foreman and Mrs. Stella Filarski will act as co-chairmen of the afternoon. They announce lovely prizes have been procured and a cash first award will be given. Proceeds will go toward meeting the 1943 budget.

BETHEL INSTALLATION

Bethel No. 26, Order of Job's Daughters, will hold their thirty-fourth installation of officers, tomorrow, January 8, at 8 p. m., when Miss Bernice Patton will be installed as Honored Queen for the ensuing term. The ceremony will be in Mission Masonic temple, 2668 Mission street. The installing officer will be Miss Marie McMillan, retiring Honored Queen. Dancing will follow the ceremony.

NEEDY GET AID

Old age assistance was given to 1,178 needy persons in San Mateo county during November, 1942, compared with 1,199 receiving this kind of relief during January, 1942, California Taxpayers' association stated today, following its analysis of aged aid in California counties.

During November, the total amount paid to the needy old people in the county was $43,047, compared with $43,301 for January, 1942. Average aid per person amounted to $36.54 in November and $36.11 in January, 1942.

New understanding, new courage new determination, new faith— these point the way to Victory!

Let's write new resolutions upon these clean pages with which begins the record of 1943. Let's shed complacency, smugness, over-confidence. Let's talk less and do more. We've got so much more of luxury, comfort and convenience than any other people on earth that we should write on that blank page:

"RESOLVED, that I shall not complain about
No tires, no tubes.
No new home appliances.
No seat on car or bus.
Rationed sugar, coffee, gasoline
. . . the many things I must do without now in war to make sure I shall have them again in peace."

"RESOLVED, that I shall . . .
Waste nothing.
Do no thoughtless spending.
Buy War Bonds and Stamps."

"RESOLVED, that no matter what sacrifice my country may demand of me from now on until the day of Victory, I shall meet it with a smile, and say: That's right! Count me in!"

Well, not exactly—but they do a fighting job by being an important part of the Food For Freedom program.

American poultry today is producing more eggs than ever before. And our store has as many eggs to sell as we had this time last year, but please don't buy more than your normal supply. We can't absorb shortages in other food lines. Please buy only as many eggs as you have been buying.

This is an invitation from the Daly City Record to any local man in Uncle Sam's armed forces, or his "home folks" to let us know of promotions and activities that would be of interest to Daly City readers. We are always happy to publish such news. Since only a few of the training camps and officers' schools have public relations officers, we do not hear directly of many such promotions unless the men or their families themselves tell us.

Those taking office include: Vi Smith, worthy matron; Roy Wieland, worthy patron; Isabella Malone, secretary; Susan Ramsey, associate matron; Walter Schenk, associate patron; Jeannette Fischer, treasurer; Henrietta Mather, conductress; Vi Wersching, associate conductress; Rose Friedrichs, chaplain; Doris Franke, marshal; Dot Helyn Schenk, organist; Lucie Beyer, Adah; Irene Genke, Ruth; Alma Ammerman, Esther; Marie Fischer, Martha; Pearl Wieland, Electa; Ruth Milam, warder; Mary Jacquest, sentinel, and Florence Kramer, flagbearer.

A short business meeting has been announced for their regular meeting night, Monday, January 18. At the close of the meeting, a Tin Can Dutch whist will be held.

Vi Wersching will be in charge of the evening. She announces admission to the event is a can or package for the grocery basket for the annual whist.

Serving on the refreshment committee are Catherine Reeves, Eileen Budaeff, Florence Hopman, and Nicola Curio.

Stanford Offers Training Courses

For those who attend war training classes, the Stanford War Training Office will, under certain conditions, endorse applications for supplemental mileage rations of gas, announces Professor Eugene L. Grant, director, in releasing the first part of the winter program of courses.

Among the courses to begin at Stanford university during the first week in January are cost accounting, industrial management, industrial safety engineering (advanced), and advanced personnel management.

In San Francisco, Stanford will offer the first class in the West on the preparation of Manning Tables and replacement schedules which provide a basis for an orderly withdrawal of employees from industry into the armed forces. This course is the Manning Tables, which were devised by the War Manpower commission, opened January 4, and will meet three evenings a week for three weeks.

Other courses to open in San Francisco, as announced by Professor Grant, are: accounting for government contracts, cost accounting, electron tube circuits, industrial management, management accounting, personnel management, advanced personnel management, elements of timber design, marine electrical theory and apparatus, and problems of shipbuilding for supervisors.

Send Service Men Cookies

By Frances Lee Barton

IF any one food is most appreciated by our armed forces, it is probably the home-made cookie.

So mother, prepare a batch of Semi - Sweet Chocolate Nut Drops right away and ship them to your son in the service — if he is still in this country — don't send food overseas!

By the way, don't forget to make enough of these cookies so that you will have some for home consumption too. The younger members of the household and even "Dad" will rave over them.

Semi-Sweet Chocolate Nut Drops

3 egg whites; 1 cup granulated or powdered sugar; ½ cup saltines, finely crushed; ¾ cup chopped nut meats; 1 package semi-sweet chocolate, melted; ¾ teaspoon vanilla.

Beat egg whites until stiff enough to hold up in peaks, but not dry. Add sugar gradually and continue beating until mixture is very stiff. Fold in saltines and nuts; then add chocolate and vanilla. Drop from teaspoon on lightly greased baking sheet and bake in moderate oven (375° F.) 10 to 12 minutes. Makes about 2 dozen cookies.

HOT and NOURISHING, *SOUP is a food for wartime*

says Dorothy Greig

Cream of Chicken Soup, rich, nourishing and delicious for wartime meals.

DURING times of stress, one of the comforting foods people instinctively turn to is hot, nourishing soup.

A stout hearty soup sent along in the lunch box thermos fortifies a worker for the remaining hours of high speed work. And for home meals, too, big bowls of soup answer the need for a hot, easily digested food that can be prepared in practically nothing flat, no matter at what hour of the day or night there's demand for it.

These days we have an almost endless variety of fine soups. But there's one that always seems to me to be particularly appropriate for wartime — and that is pepper pot. Because, in Philadelphia, during our first great struggle for freedom, old colored mammies used to vend it on the streets in great steaming pots. Each vendor had her own sing-song. One of them went like this—

All hot! All hot!
Pepper Pot! Pepper Pot!
Make'e back strong
Make'e live long
All hot Pepper Pot!

Today pepper pot is a wartime soup again—only this time we buy it from the grocer in cans. It is substantial by itself. And even more nourishing mixed with another soup this way:

Hearty Philadelphia Soup

1 can condensed pepper pot soup
1 can condensed pea soup
2 cans water

Combine the condensed pepper pot soup with the condensed pea soup. Then add 2 cans of water, using the soup can for a measure. Heat and serve. Serves 5-7.

Do you like chicken soup, heavy with pieces of chicken and fine rice? Then you will enjoy this cream of chicken soup. Children, especially, like this and it's a nourishing choice, also, for the lunch box thermos:

Cream of Chicken Soup

1 tablespoon butter
1 tablespoon flour
1 cup milk
1 can condensed chicken soup
1/16 teaspoon grated orange rind

Melt the butter in a saucepan and add the flour and cook until frothy. Then add milk and the chicken soup and cook until thickened. Add the grated orange rind about five minutes before serving. Serves 3-4.

SCHNABEL TO PLAY HERE

Artur Schnabel, distinguished pianist, the second on the 1943 Sunday afternoon series of the Opera association, appears at the Curran theatre, Sunday afternoon, January 10.

Born in Austria, Schnabel's name was known throughout the continent before he came to the United States in 1930 at the invitation of Serge Koussevitzky to take part in a Brahms festival by the Boston symphony. He has remained here ever since and he quickly established himself as one of the most popular artists on the American concert stage.

Although his greatest success has come with Beethoven music of which he is the foremost exponent and authority, he is also a distinguished interpreter of Bach, Brahms, Mozart, Schubert, and Schumann. Schnabel has long been the idol of students and teachers.

"I do not fear the future of music," Schnabel said recently in an interview. "From the beginning of time, people have enjoyed music. Everyone who likes music is musical. I do not think an understanding of music is really necessary. The liking of it is enough."

Tickets for the concert are now on sale at Sherman Clay box office, EXbrook 8585.

Legion Auxiliary Announces Whist

Mrs. Ann Welsh, Daly City Unit No. 410, American Legion Auxiliary chairman, announces plans are now completed for the first whist of the year. The game is scheduled for tomorrow afternoon, 2 p. m., at Legion hall.

Helping with the affair are Mrs. Eva Beffa, Mrs. Hazel Emerson, Mrs. Lyla Eldrup, and Mrs. Catherine Foreman.

A cash first prize has been procured, along with many other valuable awards. The public is cordially invited to attend.

Regular meeting of the local unit will take place, Wednesday at 7:30 p. m. at Legion hall. All members are urged to attend.

Court St. Mary Holds Public Whist Tonight

A short business meeting for members of Court St. Mary No. 1155, C. D. A., will be held at 7:30 p. m., this evening, at Masonic hall. When the meeting is adjourned at 8:30 p. m. members and friends will play whist.

Mrs. Catherine Core is in charge of the card playing. She will be assisted by various ladies of the court. She announces many attractive and valuable prizes have been procured for the event, and the public is invited to the whist.

DON'T HOARD GAS STAMPS

Don't save up your gasoline rationing stamps, warns the National Automobile club, or you may find they have expired before you have used them. The first page of stamps in the "A" book, which is composed of eight stamps, will not be honored after midnight, January 21, 1943.

UNTIL THE BELLS RING

Methods of combating fires set by incendiary bombing have undergone drastic change. This is because incendiary bombs are war weapons and war weapons are constantly changing. Present fire bombs usually contain delayed explosives which detonate long after impact. Former practices in handling these missiles are exceedingly dangerous because they require a close approach by the fire fighter.

Director James M. Landis of the Office of Civilian Defense, observes that: "Use of a jet of water enables the operator to work at a much greater distance than the 'short range' methods employing sand, other smothering agents, or a spray of water. Sand in the form of bags or mats cannot be depended upon, because these bombs, upon explosion, have a greater fragmentation effect than the explosive incendiary bombs formerly used. The public should be warned against the use of all such smother agents as 'bomb extinguishing' powders; also against such devices as scoops, grabs and snuffers. They are entirely without merit and may endanger the lives of persons who depend upon them. The use of spray and sand is no longer recommended because the possibility of fragmentation makes it too dangerous to approach the bomb sufficiently close to apply them."

A direct stream of water is now recommended as the best means of controlling an incendiary bomb. An ordinary garden hose is suitable, but stay as far away as possible and assume a crouching or prone position behind the best available cover.

Enemy raids are a constant possibility. Vigilance can not be permitted to fluctuate with the war news. Remember a raid may come when it is least expected. Until the bells of armistice begin to ring, the public, as well as auxiliary firemen and wardens, must remain grimly alert.

Obituary

Private Services For G. S. Stenhouse

Private funeral services were held for Garner S. Stenhouse, Thursday, at 2 p. m. from a downtown mortuary. Cremation followed at Woodlawn Memorial park, Colma.

Stenhouse passed away, December 29, after a long illness, although he was fatally stricken on Christmas Day.

He had been a resident of the community for the past 11 years and made his home with his friend and companion, Clive M. Saiz, 70 Mission circle.

For many years he was employed as a private secretary with the Spreckels Sugar company. He had a musical education and previous to his arrival in Daly City frequently appeared on concert programs and he also took a keen interest in amateur dramatics. He will be remembered by many students of the Jefferson Union high school who enjoyed his vivid descriptions of Oriental art, as well as high lights of the points of interest he had visited.

Average Family Discards 36 Tin Cans During Every Month

The average American family discards 36 tin cans a month, salvage authorities say. The accumulation of this monthly figure from all Daly City families to the tin salvage campaign, carried on weekly in local grammar schools, would represent a creditable showing for scrap output.

Every wousewife in this community is requested by the Daly City Salvage committee to save tin cans from her kitchen until they are picked up by pupils of grammar schools who are block collectors. All cans must be prepared by flattening them, and washing them thoroughly, and removing the paper labels. Otherwise they are of no great value for salvage use, since this process would have to be done by manpower at the detinning plant, where it is at a premium.

The first truckload of tin cans for the new year left Daly City schools, Tuesday, headed for the detinning plant in South San Francisco. The truckload represented the efforts of grammar school children and housewives for salvage of war material.

BANK OF AMERICA STATEMENT

At the close of a year of strenuous wartime adjustments, Bank of America's year-end statement of condition reveals that total resources of the bank now stand at a new all-time high of $2,771,689,000, an increase of $676,054,000 during the year.

Deposits on December 31, 1942, totalled $2,586,140,000, a gain of $677,757,000 over a year ago.

Loans and discounts outstanding, which aggregated $840,469,000 decreased $74,100,000, while investment in securities, which amounted to $1,265,749,000, increased $572,636,000 over the previous year end.

After payment of taxes and accruals therefor at the new rates, and other Government assessments, earnings for the year were $26,577,000.

President L. M. Giannini stated that $2,646,000 of the year's net increase in undivided profits were added, January 2, 1943, to the preferred stock retirement fund, to be used on that date for the purchase and retirement of additional shares of the bank's four per cent preferred stock.

BATTLES these days are fought in the air, on sea, on land—and with the help of the Nation's communication lines.

Operators, handling the greatest volume of calls in the telephone's history—calls dealing largely with war and war production—occupy a "battle station" of vital importance.

You can help them to bring Victory closer. Though materials for more telephone lines are not available, due to war's requirements, you can help keep the lines clear for war by making only *vital* calls to the war-busy centers.

Five Scouts Usher At East-West Game

Five scouts from Boy Scout Troop No. 141, under the supervision of Scoutmaster Joseph Straughan, ushered at the East-West football game, New Year's day. The boys who helped seat the 60,000 football fans were: Marvin Morrow, Robert Thompson, Jacob Hummel, Harry McCune and Leslie Bock.

A winter scouting trip was taken by Troop 141, Monday, December 28. The four boys who were present at Camp Lillienthal in Marin county were: Morrow, Thompson, Hummel and McCune. They were accompanied by Scoutmaster Straughan.

"We expected a lot of boys to be at the camp, but were disappointed as we had the camp to ourselves," announced Straughan. "Seems it's always that way when we go up there for winter camp. We had planned to do a lot of real outdoor scouting and proceeded to do just that," he concluded.

The group reported that there were scores of wild deer in the nearby woods and they spent a great deal of their time stalking and tracking them. Scout McCune passed his second class tracking test and numerous other tests. A number of tests were also passed by the other three boys.

A contest was held for the scout who won the largest number of points while there. The points were given for deportment, activity and general scouting. Wearing scout shorts and taking cold showers before breakfast were a couple of the duties required to receive the points. McCune won by a margin of 2 points. Prize for the competition was the camp's dirtiest dish rag.

Remind Motorists Of Tire Inspection

Operators of commercial trucks and vehicles have one more week in which to see that their first tire inspection is completed, the War Price and Rationing board announced today. Deadline for this inspection is Friday, January 15.

Owners of passenger cars have until Sunday, January 31, to go to a service station and have the first periodical inspection made. Nearly all service stations in Daly City are official tire inspection stations, the rationing board said. When the owner goes to the station for inspection, he must have in his possession the tire record which he received when he was given his basic "A" gasoline book.

Sector Warden in Precinct 11 is C. E. Dotson, 43 Vendome avenue, and, appropriately enough, senior day warden is Mrs. Dotson. They are ably assisted by an energetic group of wardens, most of whom have long since completed their basic training. The group meets regularly at Dotson's home.

Shown above are: front row, left to right, H. C. Caldwell, Mrs. A. Dillaboy, Mrs. C. C. Cronn, Mrs. Dotson, and Dotson; second row, left to right, Enrico Bertini (who recently left Daly City for service with the U. S. Army), A. D. Rice, C. C. Cronn, O. Peralta, and A. Markowitz.

Day and night wardens serving the area, not pictured above, include Joseph Rose, Peter Dormoy, E. J. Atwood, and Mrs. Peter Dormoy.

GIRL BANDITS TO STAND TRIAL

Burglary and robbery charges against Mrs. Betty Kieffer, 24, and her sister-in-law, Miss Mary Kieffer, 19, for holdups in San Francisco will be aired in San Francisco courts when their trial opens, Tuesday, February 9. Both girls plead guilty in a preliminary hearing.

They have both been identified as the girl bandits who held up the Globe tavern, Mission and Market streets, last November, taking $75 in cash. Charges have been filed against them in Daly City court by Narciso Stefanelli, bartender at the south end tavern. However, a date for their trial in Daly City court has not yet been set, pending a decision of the San Francisco court and transfer of the two young bandits to custody of Daly City police.

cation certificate is a white card or post card telling the class in which the registrant has been placed.

Any registrant who has not both these cards in his possession is subject to $10,000 fine or five years imprisonment, or both. Anyone who has not received his classification card, must consult the draft board, at once.

Present Graziani With Service Pin

(Continued From Page 1)

father, Giacomo Graziani, was among Colma's early merchants. The parents now reside in Millbrae.

Graziani lives in Colma with his wife and two children. He started his career with the bank on January 1, 1918, at the San Francisco headquarters. Two years later he was transferred to the Colma branch where he has been employed ever since.

Association Urges That Car Owners Write For Licenses

Write instead of driving to renew automobile registration for 1943, and save gasoline and tires.

With opening of the renewal period, Saturday, January 2, the advantages of applying by mail were emphasized today by the California State Automobile association.

Besides the important saving of automobile use, the association pointed out that mail applications will serve the purpose the same as going to an office in person.

In both cases an indefinite period will elapse before applicants receive their metal tabs for 1943 for attachment to the old plates.

Both types of applicants will be issued a receipt which will serve as a temporary certificate of registration until their tabs and 1943 registration card are mailed to them by the State Department of Motor Vehicles.

The delay in mailing tabs will depend upon deliveries by the manufacturer. The tabs display a "V" symbol for victory in red on a white background, and go over the year numeral on present plates.

Applications by mail will be received by the Motor Vehicle department at Sacramento, and by the automobile association from members at all club offices. Applicants must send the 1942 registration card and the amount of fees for 1943 (stated in the lower left hand corner). Any change of address should be written on the card.

The department requests payment by money order or cashier's check, and does not accept personal checks. The automobile association will accept personal checks of members made out to the association. Sending currency or coin by mail is not advised.

All offices of the department and of the automobile association will receive personal applications.

The time limit for renewal of registration is February 4.

CENSORSHIP

On battle fronts every day men risk their lives to discover the location and strength of the military units of the enemy. Yet at home, too many of us are presenting the enemy with information of the same military value, the Office of Censorship says in a statement.

This is the information which newspapers and individuals are asked not to tell the enemy:

DO NOT TELL the names of ships upon which sailors serve.

DO NOT TELL the troop units in which soldiers serve overseas.

There is no objection to revealing that Private John Jones is in Australia or that Seaman Tom Brown saw action in the Atlantic, but there is military information which endangers the lives of American fighting men in stating that Private John Jones, "Company C, 600th Infantry," is in Australia, or Seaman Tom Brown, "Aboard the U. S. S. Wisconsin," is in the Atlantic.

The Office of Censorship says: "We ask editors not to publish these troop identifications, and we ask parents and relatives not to reveal them. Don't give the enemy anything that may lengthen the war!"

Mr. and Mrs. A. H. Yandell, 119½ Santa Barbara avenue, started the New Year off with a new addition to their family. The little "bundle of joy", a boy, arrived at South San Francisco hospital.

Meal Planning in Wartime

We're making readjustments everywhere these days. Meals are likely to be a bit topsy-turvy with eggs, for example, going over to the dinner menu, and being replaced at breakfast with whole grain cereals. But even if foods have to be shifted around, our meals shouldn't . . . mustn't be lopsided or out of balance.

Nutrition's the Thing

The pace we've set for ourselves on the home front makes it doubly important that we get our full quota of health and energy-giving vitamins, minerals, proteins and other food essentials. It takes a bit of maneuvering so precious vitamins are not sacrificed.

That's where a simple, working knowledge of nutrition pays dividends. If you have more than a flavor acquaintance with foods . . . if you know what each contributes to the well being of the family, then it is a simple matter of nutritional calculation to know what replacements to make on the menu.

For instance, if you've used your quota of meat for the time, then you can build your menu around other protein-rich foods such as eggs, cheese, dried beans and peas, fish or fowl. Down through the menu you can go replacing those limited foods with more plentiful ones which contribute the same nutritional elements.

Avoid Monotony

As the variety of foods grows less, meals are likely to become a trifle on the tiresome side. Monotony discourages appetite, and poor appetite cuts down on efficiency. Get out of the cooking rut by serving those day-in-and-day-out foods a little differen' each time.

Try baking those eggs with cheese or chili sauce, or serve creamed, chopped hard-cooked eggs over steamed rice. A dash of paprika, a few drops of meat sauce, that ever-faithful onion or an iota of spice work wonderful changes in an ordinary dish.

Macaroni and cheese can be varied no end by adding sauteed chopped onion, celery or green pepper or by pointing up the flavor with tomato or chili sauce, a sprinkling of sage or garlic salt.

CONFUSED about ceiling prices?

Ceiling prices were designed to keep prices within the limits of reason, to fix an amount above which prices may not go, but without restrictions as to how low prices may go.

Oranges and Grapefruit to the front

Oranges and grapefruit are right up in the front lines, nutritionally speaking, with their richness in vitamin C and valuable minerals. As for versatility, they'd win a medal any time!

SLICED ORANGE SHORTCAKE—Slice oranges thinly, place between layers and on top of light sponge cake. Top with thin custard sauce. Simple but oh, so luxurious in taste.

CITRUS HONEY DESSERT—Alternate segments of oranges and grapefruit in fruit cups, top with thinned honey (half and half honey and water or juice), chill before serving. A perfect dinner conclusion.

Prices in this ad are effective Tuesday, Wednesday, Thursday, Friday and Saturday, January 5, 6, 7, 8 and 9 in San Francisco, Oakland, Berkeley, Alameda, Richmond, Hayward and other cities and towns in San Mateo, Alameda, and Contra Costa Counties.

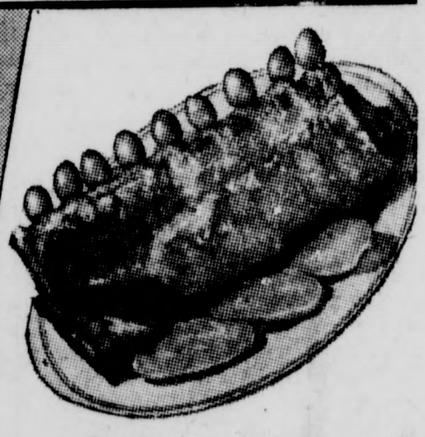
V-STANDS FOR VITAMINS TOO!



Meat is a rich source!

There's more than a similarity of initial letters between "VITAMINS" and "VICTORY" . . . Full strength and vigor call for vitamins, protein, and minerals, such as iron and phosphorus.

For full strength and energy, the proper amounts of meat, milk and other dairy products, vegetables, fruits, breads and cereals, and fats and sweets must be eaten daily.

Meat furnishes much of the protein needed for building and repairing body tissue, iron for building rich blood, and copper and phosphorus, which with calcium build bones and teeth.

SAVE FATS

America needs your waste fats. One pound of fat furnishes enough glycerin to fire four anti-aircraft shells. Bring your fats to us!

Plan your meals to include meats! There are still many unrestricted items like liver, heart, tongue, sweetbreads with which you can round out your meat supply for the week. We are doing everything possible to give you a good selection of regular cuts and variety meats. You can help by planning "Share-the-Meat" menus and by not hoarding.
